3° E.S.O.

READING. Read the text and answer the questions below.

Pablo's Diary

What have I done this year? Well, I've played a lot of football with the school team. We won ten matches - we're the best! I've also tried new sports like bowling and karate. In the summer I played tennis with my sister, but I think football is more exciting than tennis. And I've been to three music concerts - they were fantastic! I went with my girlfriend, Elena. We like the same kind of music.

Now I'm studying a lot because I didn't pass all my exams. I didn't have enough time to revise because I was playing football! Now I'm practising my English at a language school. I usually go twice a week. I always do my homework and I often listen to songs in English.

Next year I think I'll study more. I'll play football with my friends at weekends, but I won't play in the school team. I have to pass my exams - if I don't pass, my parents will be very annoyed! I think I'll learn to play the guitar, too. Elena can play really well, so she can teach me.

- 2 Where did Pablo go with Elena?
- 3 Why didn't Pablo have time to revise?
